**Summary: In a few sentences, highlight your achievements, concerns, or suggestions that you mostly want addressed. This should be the main point of your committee work:**

We are able to organize the event by inviting the former ALA president and five former presidents from the ALA ethnic affiliates on leadership of color of librarians. We are also able to make the first CALA Poster Sessions during the ALA happen by receiving 9 poster proposals by the deadline. Three more arrived. The sub-committee of three members reorganized the poster proposals and assigned key words.
