Questions/Comments/Suggestions for the Board (if any):

Summary: In a few sentences, highlight your achievements, concerns, or suggestions that you mostly want addressed. This should be the main point of your committee work:

We tried to work cooperatively and collaboratively. We had open discussion whenever it was necessary. We got more applicants this year than last

year (12 applicants this year, and 7 last year). All recipients are very competitive and excellent.

Concerns: members' participation and contribution are different. Not every members are very active. Most works are still on the Chair(s). Not all recipients could attend the CALA Award Banquet.

Suggestions: Maybe the process schedule can be adjusted by the next Committee.
