### Committee Charge:

The Task Force is responsible in charge of the CALSYS - CALA Academic Resources & Repository system, including system design, creation, maintenance, including data collections and data analysis.

### Tasks Completed According to the Five Goals Outlined in the CALA 2015 Strategic Plan if Applicable and Please Be Specific:

The system has been setup initially and functional for public access, even though it will start for data collection and input in next year. This system would benefit for CALA members and CALA, for marketing and centrally displaying the academic achievements of Chinese American Librarians / Professionals, especially CALA members, and providing opportunities to create multiple research projects especially for analyzing the Chinese American Librarians' academic success. Please see two attached files (Annual Report and Statement) for our accomplishments in 2014-2015 and our strategic plan.

### Goals and Objectives Completed:

The system setup to meet Goal 1 as "Enhance CALA organizational structure to maximize its efficiency", because This system would benefit for CALA members and CALA, for marketing and centrally displaying the academic achievements of Chinese American Librarians / Professionals, especially CALA members, and providing opportunities to create multiple research projects especially for analyzing the Chinese American Librarians' academic success. Please see two attached files (Annual Report and Statement) for our accomplishments in 2014-2015 and our strategic plan.

### Goals and Objectives to Be Completed:

Will collect data from CALA members and related professionals to input bibliographic data into system, plus, continue to enhance system structure and functions, especially for metadata rules in data organization and public accessibility.

### Budget Requirements or Reimbursement Requests (if any):

We might need some budget support in case the system platform and data collecting needed.

### Questions/Comments/Suggestions for the Board (if any):

We do expect that the Board to support and help this CALA's system, especially the Board members contributing their academic achievements records, such as bibliographic data (citations) and academic activities to us for the data collections in the system.

### Summary: In a few sentences, highlight your achievements, concerns, or suggestions that you mostly want addressed. This should be the main point of your committee work:
