Committee Charge:

The Task Force was charged to design the content and format of CALA's Self-Assessment Electronic Survey, send it to CALA members with the assistance of the Web Committee, analyze the survey, report it to the Executive Board, and share the report with CALA members and people who are interested in knowing more about CALA.

Task Completed According to the Five Goals Outlined in the CALA 2015 Strategic Plan if Applicable and Please Be Specific:

Aug.-Oct. 2014 Continued the survey and closed it by the end of October.

Nov. 2014 Divided the survey results among the task force members. Each worked on their own sections.

Dec. 2014 Discussed as a group about the individual data analysis.

During the group discussion, the Task Force noticed that each member interpreted the valid data in their own way. The Task Force consulted Weiling from the Website Committee. After discussion, we decided to exclude 22 missing data which left 92 complete entries. The Task Force used these 92 entries to prepare the preliminary survey report as attached. The original survey is also attached at the end of the report.

The tasks completed as listed above especially contribute to support Goal 1 and 3 of CALA 2015 Strategic Plan.

Work in Progress & Timeline:

- By the end of December, 2014: Share the preliminary report of the survey results with 2014-2015 Strategic Planning Committee
- Jan.-May 2015: Keep analyzing the data and work on a more comprehensive report. Meanwhile, work with the Website Committee to find the best way to share the preliminary report of the survey results with CALA members and people who are interested in knowing more about CALA.

Goals and Objectives for the Second Half Year:

- Share the preliminary report of the survey results with 2014-2015 Strategic Planning Committee
- Keep analyzing the data and work on a more comprehensive report
- Work with the Website Committee to find the best way to share the preliminary report with CALA members and people who are interested in knowing more about CALA.

Budget Requirements or Reimbursement Requests (if any):

Questions/Comments/Suggestions for the Board (if any):

Our Task Force has a special note on the survey data usage:

- CALA Board: Our Task Force is working on a more comprehensive survey report/article toward the journal publication. Please do NOT download and share the survey information outside CALA Executive Board.
- 2014-2015 Strategic Planning Committee: Our Task Force will share the survey report with 2014-2015 Strategic Planning Committee by the end of the year 2014 so that they can get the information early and use the information to improve CALA strategic plan.
- Our Task Force will consult the Website Committee to find the best way to share the report of the survey results with CALA members and people who are interested in knowing more about CALA, under certain data usage conditions set by 2013-2015 CALA Self-Assessment Survey Task Force.
