

CALA Members' Contribution

In the "Think Globally, Act Globally: U.S. China Librarian Collaboration"
September 2008 – August 2012

Project Partners

Project Overview

Enhance communications between American and Chinese public librarians through digital content creation and exchange visits.

Agreement Signature Ceremony Project evaluator, Dr. Lee Hwa-wei

Accomplishments

- Professional Development at the University of Illinois
- Placing Chinese librarians at U.S. institutions for a host visit
- Having Chinese librarians attend a conference in the U.S. to present a session
- U.S. librarians providing professional development for library leaders and library educators in China
- Promoting international standards and best practices related to digital content creation
- Identifying and establishing a registry of digital library projects

Opening Ceremony at UIUC, 2009
