Annual report

### List significant activities the committee has done since last report:

Our task force worked very hard virtually, completed the design of 2014 CALA Self-Assessment Survey.

Weiling Liu helped to email the survey out to each individual CALA member to be filled out.

A weekly survey reminder was sent. We received many auto replies saying they were out of office and were not able to filled it out during the survey time period.

They survey stayed up for one month. Not surprisingly, the number of members who filled out the survey is quite low.

### List committee recommendations, if any, to the Board:

Our task force contacted CALA President Lisa to seek opinion on if the task force can be extend to two years term. We would like to do our best and give it another try by reopening the survey at a different time, not the hot traveling time with a hope that we may get more members to fill out the survey. Lisa worked with the coming President who informally said willing to agree at this point.

Thank you.
