Committee Charge:

Keep an up-to-date membership roster; maintain complete membership records; recruit new members; print and distribute a membership directory annually; take charge of all membership activities.

Task Completed According to the Five Goals Outlined in the CALA 2015 Strategic Plan if Applicable and Please Be Specific:

Working closely with the Web Committee especially with Weiling, we continue to maintain and update the membership database and resolve issues within reasonable time frame.

We communicate with members individually to answer questions and resolve problems related to membership

We sent an email to the entire membership announcing that the Chinese American Librarians Association (CALA) continues to offer a free one year membership to new student members, thanks to a generous donation of \$1,000.00 from Dr. Tze-Chung Li, Professor and Dean Emeritus of Dominican University Graduate School of Library and Information Sciences and one of the founding members of CALA.

We sent a reminder to the CALA mailing list and ask members to renew their CALA membership for 2015.

Work in Progress & Timeline:

On-going updates of membership database; resolve issues related to membership.

Goals and Objectives for the Second Half Year:

We will contact vendors to ask them to advertise in the CALA Membership Directory.

We will work on the CALA Membership Directory 2014-2015 and have it printed in May 2015.

Budget Requirements or Reimbursement Requests (if any):

A budget request will be made to pay for the printed Membership Directory. The exact amount is yet to be determined.
